ANNUAL SUBJECT INDEX

A

Abortion

- a quantitative survey in Madhya Pradesh, India, 1146
- low income pro-choice programs, 994

Abortion laws

- in the United States, 1533

Abstinence

- from alcohol and drug use, 616
- minority youth program, 592

Abuse

- appearance related comments, 382
- domestic sex trafficking of Chicago women and girls, 269
- emotional and sexual maltreatment, 376
- female trauma survivors, 372
- public awareness of elder abuse and neglect, 654

Academic achievement

- adolescents, 249
- among non-white international adoptees, 1273
- Black student experience at White colleges, 832
- Chinese migrant children, 1573
- contributions of cognitive skills, 1255
- family dynamics, 1256
- impact of community mental health programs, 1717
- motivation of Latino students, 1885
- of African American adolescents, 792
- of children in child welfare system, 750
- of elementary Latino/a students, 246
- of later-generation Mexican Americans, 1528
- of Mexican American youths, 1210
- parent teacher relationships, 1301
- parental involvement, 795
- poor educational framework for youth in out-of-home care, 718
- public alternative school programs, 1757
- role of parent's economic resources, 1699
- role of sibling motivation, 1209

Academicians

- affiliations of social work journal article authors from the U.K. 1999-2003, 844
- evaluating social work education approaches, 295

- focusing on racism in faculty and staff, 12

Acceptance

- cosmetic surgery, 383

Accreditation

- of social work, 11
- social services, 1626

Acculturation

- Kenyan immigrants in the United States, 475

- stress among Latina women, 1861

Aches: *See* Pain; Chronic pain

Achievement

- high performance, 1637

Acquired immune deficiency syndrome (AIDS): *See* AIDS

Activism

- confronting prejudice and discrimination, 1015
- Latina political participation, 1021

Activity

- using Nintendo Wii to develop motor skills, 1382

Activity analysis

- for aging, 638
- of persons with multiple sclerosis, 827

Activity theory

- engagement in adulthood for the oldest individuals, 143

Adaptation

- depression among residents of congregate housing, 1359

Adaptive behavior

- role of technology, 1165

Addiction

- benefits of family participation in treatment, 111
- comparing heroin and alcohol users careers, 616
- Gamblers Anonymous, 349
- group participation for recovery, 536
- homeless women, 619
- hypersexual behavior of men, 630
- implications for recovery for those with severe mental illness, 973
- in rural New England, 1189
- increase among baby boomers, 132
- recovery movement in the UK, 615
- substance use, 1176
- testing in drug court, 627
- therapeutic factors in group therapy, 613
- what to do about it, 1181
- women and prostitution, 632

Adjudication

- impact of social work field programs in court, 280
- of youth in juvenile court, 1460

Adolescence

- brain maturation, 1819
- life satisfaction, 780
- parenting practices, 1280
- transitioning of youth in developing countries, 732
- understanding the meaning of love, 1158

Adolescent fathers

- priorities and concerns of parenting, 1665

Adolescent mothers

- facing unplanned pregnancy, 1665
- teenage birth rate, 1775

Adolescent pregnancy

- in the Bahamas, 252

See also Pregnancy

Adolescents

- a case study of psychotropic treatment, 919
- ability to resist peer pressure, 1720
- academic motivation of Latinos, 1209
- alcohol use in Holland, 196
- alcohol use in urban areas, 1182
- Amish youth experimentation with drugs and alcohol, 119
- anti-gay sentiment in Belgium and Canada, 467
- antisocial behavior, 752
- anxiety and depression outpatients, 1379
- at risk of heavy episodic drinking, 1242
- benefit of frequent family dinners, 231
- black and white young men's substance use trajectories, 1180
- body image concerns in China, 1889
- coping skills, 1669
- cultural identity and peer influence on substance use among Australians, 625
- dating violence, 1107
- depression, 240
- developmental trajectories, 1819
- drug use in a rural secondary school in Kenya, 1184
- emotional responses to offers of alcohol and marijuana, 386
- ethnicity and vulnerability to mood disorders, 1857
- experiencing parental divorce, 1415
- family aggression and dating abuse, 1392
- family violence and risk of substance abuse, 1217

females and prevention intervention for HIV, 306
